RIVERTON COMMUNITY

DECEMBER 2024

Local Hero – Charlie Nicholls

Tarlee resident and ex Riverton Primary School student, Charlie Nicholls, has been rewarded for many years of hard work by being drafted at pick 34 to play with the Fremantle Dockers AFL team.

Charlie began his football career playing juniors at MinMan Eagles Sporting Club. In 2018, while a student at Riverton Primary School, representing Mid North SAPSASA Football team, Charlie was selected in the Under 12's State Team. Playing in Canberra, the team won a Bronze medal.

Continuing to play for Min Man with his brother & cousins, Charlie's successes included winning premierships and a Mail Medal for North Eastern Football Association.

Charlie was selected to play in the Under 15 carnival for Central Districts Football Club which led to training with the Under 16 squad at Elizabeth. Along the journey, Charlie played two years in the Under 16 & Under 18 Central Districts Football teams and captained the

Under 18 side. In 2023, he was selected in the Under 18 State squad as an underage player. Playing for the 'Doggies' in 2024, Charlie was again selected in the state squad where the training and experience helped him mature as a player.

Leading up to the AFL Draft, Charlie had over 15 extensive interviews with AFL Clubs, some at the farm at Tarlee and others in Melbourne. It was a nervous wait for draft night And then it happened! His dream of playing AFL football as a career has taken a great step.

Despite all the travel, early mornings & late nights, Charlie has continued his schooling and recently completed year 12.

Charlie's parents, Annie & Jake, will forever be grateful for the support he has received from coaches, mentors & friends along the way.

Congratulations, Charlie. All the best for the future. No doubt, the Dockers will have a few new fans now!

UPDATE: New Dockers coach, John Longmuir, visited Charlie & his proud, extended family at their farm, Ryelands, Tarlee, on Friday (see photos) & Charlie left for WA on Saturday.

RIVERTON CHRISTMAS CARNIVAL

BBQ, MUSIC, & KIDS ACTIVITIES

FRIDAY 20TH
DECEMBER, 2024 6PM

Supported by Riverton IGA and Valleytech

Governor Visits Riverton

On a recent tour of the Clare & Gilbert Valleys, the Governor of South Australia, Her Excellency the Honourable Frances Adamson AC, visited Riverton. She was accompanied by her husband, Mr Bunten, and aide, Bronwyn. Representing the council were Mayor Aughey, interim CEO, Andrew Aitken, & Executive Assistant, Rebecca. During her brief official visit, Her Excellency visited Scholz Park, Riverton & District High School & Light Gallery.

At Scholz Park Museum, Her Excellency met with members of the committee. She was given a brief history of the museum and a tour of the buildings. The committee members found Her Excellency to be friendly, warm & very interested in this part of our local history.

At Riverton & District High School, her Excellency met with the school captains & SRC students. They discussed the importance of leadership and understanding how to make their voices count. Her Excellency's key message was 'Strong communities are built on the actions and voices of the people in the community'.

At the Light Gallery, Her Excellency & Mr Bunten praised the art works of renowned local artists, Robert Hannaford & Alison Mitchell.

Greg McLeod, from Scholz Park Museum committee, said, "Unfortunately, time was short as these tours are scheduled tightly but it was a very enjoyable experience."

RIVERTON COMMUNITY HALL 150 YEARS

Riverton Community Hall had its beginnings as the Riverton Institute.

The first meeting to consider building an Institute was held at the Mill Inn on 22 May 1873. In due course, Allotment 26 was bought

from Mr J. E. Hannaford for £50 and the foundation stone was laid on 12 June 1874.

Riverton Institute was officially opened on 3 December 1874 at an approximate cost of £1,400. The original building was single storey and included a reading room and a library.

The two-storey front was added in 1897. By 1910, the original floor was renewed. In 1914, the Institute Hall had to be extended, and a small supper room was added.

By 1930, more accommodation was necessary, so the upper room was enlarged and the kitchen added.

In 1960, the property next door was purchased from Miss Knauerhase to enable extensions or alterations to the Institute to take place, when required.

The opening of these additions and renovations to the Riverton Community Hall took place on 26 July 1985, the cost being \$210,800.

Over the passage of time, a large variety of functions have taken place within the hall – dances, meetings, roller skating, movie sessions, reunions, dinners and flower shows, just to name a few.

Moving forward, the nature of these functions has changed to accommodate the changing needs of the local community.

The functions that may take place within the Community Hall in the future may not have any semblance with what has taken place in the past.

Regardless of whatever proposed development may be considered for Riverton in the future, there will always be a need for the Riverton Community Hall to meet the

needs of the local community.

So, whereto with the Riverton Community Hall in the coming decades?

Presently, a two-stage project is underway. Stage One – Remediation Works

Council has appointed Mykra Pty Ltd to undertake remediation works at the Riverton Community Hall which will include nominated structural repair works, including but not limited to the roof, stage and drainage. It is anticipated that these works will be completed by the end of 2024.

Stage Two – Refurbishment of Riverton Community Hall

Through extensive public consultation, it was identified that Riverton Community Hall needed a major refurbishment to bring its facilities up to appropriate present-day standards as well as provide additional facilities which will benefit the community and other users of the Hall in years to come.

Presently, a proposal is before Council seeking consent to apply for a grant to address this refurbishment, the cost of which is estimated to be about \$1.4m.

It is hoped that approval is granted so that the grant application can be submitted.

Whether the grant application will be successful is in the hands of the appropriate authorities but, hopefully, it will be, so that Riverton Community Hall can receive its first major upgrade in forty years.

So, from humble beginnings, Riverton Community Hall has now turned 150 years old.

While the Stage One Remediation Works are presently underway, the Hall portion of the building is presently unavailable. It is hoped that the celebration of Riverton Community Hall's 150th anniversary can be organised early in 2025.

May Riverton Community Hall continue to be an important, valued, asset for the Riverton community for generations to come.

Talented local violinist, 14 year old Laura Kidby, who has played with the orchestra in the past while living in Adelaide, joined the group today and played with her usual flair & expertise.

JUMP ON BOARD AND PARTICIPATE

**BEST
DECORATED
CHRISTMAS
HOUSES
COMPETITION
2024**

Winners will be announced on the
20th December at the Christmas
Party.

FIRST PRIZE \$300

SECOND PRIZE \$200

THIRD PRIZE \$100

THANKS TO RIVERTON IGA FOR THEIR VERY GENEROUS DONATION.

Caminada Strings

On Sunday afternoon, December 1st, Caminada Strings, an 18 piece stringed orchestra, entertained locals at the Uniting Church. Instruments included violins, viola, cello and double bass. The group played sets of Latin, folk, swing, classical & modern music, with the finale being a set of Christmas carols.

New Owners Riverton Hardware

Ray Leane and Heather Abinett recently purchased the Riverton Hardware business. Ray and Heather were last working in Ceduna and love living in the country and the country lifestyle. Ray has worked in the trades industry for many years.

They were keen to have a lifestyle change and purchase a hardware business and Riverton ticked all the boxes. They will also be closer to family. Ray and Heather have big plans for the store and will roll out a number of changes early in the New Year.

Ray and Heather have also purchased 13 Frederick Place for their residence and have plans to develop the frontage to Torrens Road. Welcome to Riverton, Ray and Heather.

Melbourne Cup 2024

The Tarlee/Stockport Friend's Auxiliary hosted their fifth Melbourne Cup lunch last Tuesday at the Riverton Recreation Grounds, with 85 guests in attendance. Along with a complimentary glass of bubbles, guests were

greeted by a colorful flower garland created by auxiliary member, Leanne Griffiths, for photos to be taken throughout the day.

Attendees enjoyed a delicious cold meat and salad buffet followed by an indulgent grazing table of desserts, catered by 'On the Plains Grazing and Catering'.

Local Riverton boutique, Sassy Lass, showcased some lovely outfits for the coming summer and festive season with a fashion parade.

Judging for Fashions on the Field proved difficult for the judges this year with many contenders to choose from. 'Best Dressed' was won by Emma Zanette, 'Best Headwear' won by Sharon Woods and 'Most Creative Headwear' went to Fiona O'Neill, with her exquisite hand quilled fascinator.

Race sweeps, lucky squares and a wine wall were well supported on the day with lots of prizes on offer along with the major raffle which was drawn after the main race.

First prize, an original painting by local artist, Andrew Quixley, was won by D.Jantke, Clare. 2nd prize, an accommodation package at Ryelands Farmstay, was won by D.Williams, Auburn, and 3rd prize, a wine accessories package from Koco homes, Kapunda, was won by R.Scott,Modbury.

Over \$5500 was raised for the hospital on the day and the auxiliary would like to thank the many people who helped/donated to make the day a success as well as the following businesses for their support.

Taylor's Wines
Auburn Event Hire
AW Vater & Co
Sassy Lass
Tarlee Bakery
Valley Tech

RIVERTON RSL NEWS

Northern Veteran's Bike Ride

On Saturday 9 November the Riverton RSL hosted a Veteran's Bike Group in Scholz Park. Approx 120 motorcycles arrived with about 130 people. These bikers were on a northern bike ride, including stops at Kapunda, Saddleworth & Riverton. They stopped at each of these towns, talking about a war veteran who had a connection to that town. The veteran from Riverton, about whom they spoke, was Sir William Bill Cairns. He was a famous & courageous neuro surgeon in the army during the wars. He went to school in Riverton, so it was a very interesting story. After the presentation, the RSL cooked a BBQ for all which was a great success. Quite a few also visited our RSL museum. Special thanks to everybody who helped on the day. Job well done.

Remembrance Day

The Remembrance Day Service was held in Scholz Park on Monday 11 November, attended by approximately 30 people. Special thank you to students from RDHS who helped lay our poppy crosses for our Field of Remembrance prior to the day.

After the service, everybody was invited back to the RSL for a light lunch, which was well attended. Overall another great and successful day.

RSL Bingo

On 22 November, the RSL held its annual Bingo Christmas Luncheon, which was attended by 12 people. Unfortunately, this also was the last Bingo session, as the numbers have declined over the last couple of years. RSL Bingo has been going for over 20 years now & it is unfortunate that the numbers have declined.

Thank you to everybody who has participated and attended over the years that it has been going.

RPS 2024

As we wind down on another successful year of learning and fun activities at Riverton Primary School, we look back on what has been happening in Term 4 and what is still to come:

After reading the book 'Runt', the Year 3-6 students attended a screening of the movie at the Blyth Cinema, a good experience to see if the book matched the movie.

All students enjoyed the First Aid in Schools sessions learning some lifesaving skills. Culture Day, interacting with other schools in our district, was also a highlight, along with the 'After School Disco'.

An absolute highlight this term was our Remembrance Day service combined with Special Persons' Day. While our Principal and School Representatives laid a wreath on the school's behalf at the local RSL Service, some of our School Leaders, with the help of teacher, Shannon Fuss, conducted a whole school Remembrance Service on site. We were fortunate to have our guests of Special Persons' Day join in with us. It made for a very memorable morning. At the conclusion of the service our 'Special People' enjoyed the lunch break with students. We thank our Pastoral Care Worker, Annie, for organising the day and catering. After lunch students took their Special Person to their classroom where they all worked together on a Remembrance Day Activity.

To finish off the term our Year Rec – Year 5 students will participate in Water Safety lessons, our Riverton Kindy friends have been joining us for their transition to primary school, Year 6 students will attend the Port Vincent Camp – a big highlight of their year – as well as doing their two days of transition to Secondary School and the Year 6 Graduation. All students will also be participating in the Swimming / Splash Day in the last week of term.

From all staff and students at Riverton Primary, we wish the community a safe and happy holiday break and look forward to 2025.

Walara continues to redevelop local facilities

Greetings all.

The \$5.9M Walara Gilbert Valley redevelopment funded by the Australian Government Department of Health and Aged Care, continues to progress well.

Once completed in the early new year, Walara Gilbert Valley will offer 32 residential aged care beds, of which 4 new premium beds become available early in December 2024.

Whilst Walara is pleased to have secured this significant level

of funding from the Australian Government, community support continues to be sought to fund the required landscaping and surrounds.

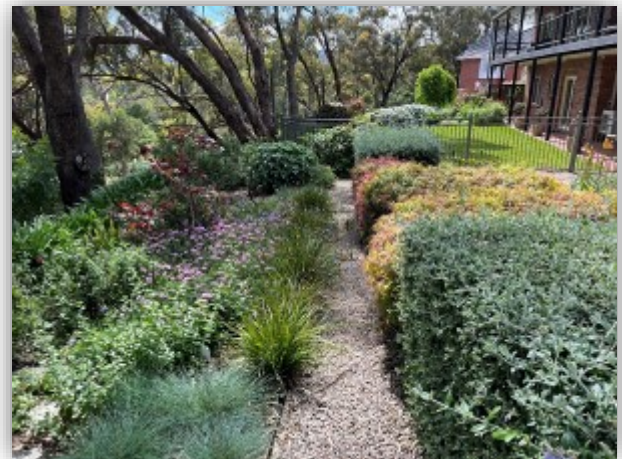

Walara thanks the contribution and support of the Friends of Gilbert Valley Senior Citizens Homes. Walara also acknowledges the recent kind donation of \$2,000 from Annette and Bill Cinnamon whose parents, Shirley and Colin Broad, previously long term and well-known residents of Burra, are now living in residential care at Walara Gilbert Valley.

The daughter, Annette, and son in law, Bill, recently opened their garden at Belair in the Adelaide Hills as part of Open Gardens SA. The proceeds raised by Annette and Bill from their open garden have been donated to Walara Gilbert Valley and will go towards the redevelopment of the garden area for residents at the nursing home to enjoy.

These and other donations from the

community are sincerely appreciated as it will enable completion of the redevelopment of the site.

Any members of the community seeking to make a donation can contact ceo@walara.au. At the Walara Balaklava Mill Court site, tenders have recently closed for the \$2M Australian Government funded construction of 4 additional units to accommodate staff relocating to the region, including international nurses who continue to arrive and make up an important part of our nursing team.

The community is commended for the manner of which they have embraced and supported our international nurses.

Enquiries about donations, access to the 4 premium beds or other high quality bed placement should be directed to the CEO; ceo@walara.au.

In closing, I would like to thank the community for your support of Walara over this last year and wish you all a happy and safe festive season.

Nino de Sisto CEO Walara.

GILBERT VALLEY SOCIAL GROUP

Another very successful year was enjoyed by the Gilbert Valley Social Group. The group meets at the Riverton Community Hall Supper Rooms on the first Tuesday each month, and anyone is welcome to join us. Numbers are growing constantly, and it is great to have so much support for the group.

This year we have had Ian Bailey talk to us about the History of the Riverton Railway Station and Giles Corner, Roz Rowett has taken us through Gentle Exercises, Elaine Rosenzweig has taught us to paint, we have played Board Games, Bugs and a Quiz, we have had Mike Johnson and Darryl Mullen conduct Bingo for us, and we have had many enjoyable trips.

Blyth Cinema had a special movie "One Life" for us to enjoy, we had a lovely day at Burra where we enjoyed lunch in the restored railway carriage. We had a Mystery Tour which took us to Mannum where we were taken on a paddleboat for a cruise on the Murray River, followed by lunch in the Mannum Community Club. Our main trip for the year was to Monarto Zoo for a Safari Tour, which has been reported in The Local Rag previously.

We have shared ourselves around for lunch, visiting the Emporium Café, Riverton; Clare Nursery; Riverton Hotel; Burra Railway Carriage and Gilbert Valley Hotel in Saddleworth. We also had a pooled lunch in the middle of the year, and next month we wind up the year with a Christmas Luncheon.

I would like to thank the members who have volunteered to drive to our various destinations for trips. It has been very much appreciated.

If anyone would like further details about this group, you can phone Glenys on 8847 2666 or Carolyn on 0418 833 976.

Carolyn Evans

THE LIONS DEN

The Lions Club of Gilbert Valley, well known for their 'famous' hot cinnamon donuts, wanted to add another layer to their catering equipment in the form of a BBQ trailer that could be used, not only on market days and the like, but also an important catering asset for emergencies such as the Pinery Fire, by supporting emergency responders and the general public.

A business plan was prepared for the purchase of a slightly used double plate BBQ unit and submitted to the Waterloo Wind Farm community grants which was successful.

The next step was to have T & R Engineering of Tarlee convert the trailer to a box trailer with the four sides opening out to provide shelter from the elements to the cooking crew.

The trailer has been fully sign written and shows that it has been dedicated to deceased Lions Member, Frank Gorey, whose estate donated a large quantity of tools, which were sold in support of this project, at a recent two day 'garage' sale.

The trailer had its first run recently at the Saddleworth Trash & Treasure and proved to be a welcome addition on the day.

For further information on the Lions Club of Gilbert Valley please email info.gilbertvalleylions@gmail.com or leave a message on 0419672073

On behalf of all Lions Members in the Gilbert Valley, we would like to offer you all a wonderful Christmas and a happy and healthy 2024.

JUNIOR TENNIS

The 24/25 Junior tennis season has started strongly, with over 20 children coming out to learn the skills of tennis. We have had 12 return from last season and 11 'newbies' come out, with our youngest superstars being only 3 years of age.

We have been lucky enough to secure a coach fortnightly for term 4 and the kids are eagerly picking up the skills quickly. We have

an amazing group of parent helpers who all actively get involved to make our trainings fun and engaging.

We play competitive tennis each Friday night during term 4 and term 1. Our team is led by Henrietta and supported by Amelia, Elise, Stella, Ivy, Braxton, Avie and Harvey. We are interchanging our number 6 player to try and give our other younger members a taste of tennis.

The favourite part of tennis each week is the zooper dooper at the end - and is very well deserved. It is a pleasure watching these kids improve each week.

Gayle McInerney
Junior Coordinator

Cuzz's Corner

Prayer for 2025

Dear God, All I ask for in 2025 is a big fat bank account and a slim body. Please don't mix these up like you did last year.

Amen.

A woman told her husband of a dream she had in which he gave her a pearl necklace for Christmas.

"What do you think it means?" she asked.

"You'll know tonight," he assured her. That evening he came home with a package which he gave her. Delighted she opened it to find a book entitled, 'The Meaning of Dreams'.

I went to the doctor and said, "Have you got anything for wind?" So, he gave me a kite.

What do hospital gowns and insurance have in common?

You think you're covered, but you're not.

KITTY'S CHRISTMAS HIDEAWAY

Kitty said she'd be out for Christmas,
Even though she'd be staying at home.

She's purchased a pre-loved caravan
And would be staying in it alone.

It was parked underneath her carport,
Well out of the heat and the sun.
She told her friends and neighbours,
She was planning to have lots of fun.

The air conditioner worked very well,
The fridge was to be stocked with drinks,

And with enough food to last the duration,
She didn't care what anyone may think.

An ancient set of Christmas lights
Would add to the atmosphere.
That was something she knew for sure
As she'd been using them for years.

A tinsel framed "DO NOT DISTURB"
sign,
Was a hint for visitors not to come.
Kitty knew she was ready for ...
A Christmas that would be fun!

Neale

FOOD SCRAPS FROM YOUR KITCHEN CADDY GO IN THE GREEN BIN

All food scraps including fruit and vegetables, coffee grounds, dairy products, egg and oyster shells, bones, meat and seafood, as well as small amounts of shredded paper must now be placed in the FOGO (Food Organics Green Organics) bin.

You can purchase compostable liners for your kitchen caddy or line the caddy with newspaper to contain the scraps before placing them in the green bin.

No food scraps in the red lidded general waste bin.

2025 KERBSIDE BIN COLLECTION CALENDAR

CLARE & GILBERT VALLEYS COUNCIL

COLLECTION ENQUIRIES

If your bin was not collected, ring Clare Valley Waste on 0438 884 340

ALL OTHER ENQUIRIES

Contact Council on 8842 6400 or visit claregilbertvalleys.sa.gov.au

E-WASTE, X-RAYS AND BATTERIES

E-waste, x-rays and batteries must not be placed in any bin and can be taken to:

Clare Waste Transfer Station
Benny's Hill Road

RESOURCE RECOVERY CENTRE

Items not accepted through the kerbside collection (with the exception of building materials dirt and rubble) can be taken to:

Clare Waste Transfer Station
Benny's Hill Road or
Riverton Satellite Waste Transfer Station
15 Bruce Road, Riverton

OLD 120L BINS

Green bodied 120L general waste bins will not be replaced for damage due to the age of these original bins. Residents are required to purchase a 140L bin from Clare Valley Waste if their 120L bin is damaged.

NEW BINS

New bins can be purchased from Clare Valley Waste, ring 0438 884 340.

KERBSIDE BIN PLACEMENT

Bins should be placed at the kerbside by 6am on the collection day. Keep a minimum distance of 1 metre between bins, parked cars, street trees and infrastructure. Bins must be brought in on the day they are emptied.

Your bin will not be collected if it is:

- packed too tightly and will not empty
- too heavy
- over-full
- all bins MUST have the lid closed, when excess waste is in the bin and the truck picks up the bin, it is more likely the lid may be damaged. Lids CLOSED please.
